## Video stories

### Ellee's brave journey

Even though she felt so ill, St. Jude patient Ellee looked forward to one thing – receiving a daily dose of encouraging messages.

### Meet Mary Browder

When Mary Browder was diagnosed with Hodgkin lymphoma, her family never believed she would get back to a normal life. Today, her diagnosis is just one part of her story.

### Meet Maverick

On N/E of 2017, Maverick went to the hospital with abnormal bloodwork. His family entered the new year facing a terrifying diagnosis: blood cancer.
